

BP 2740 Board Education

Reference:

Accreditation Standard IV. C.9

1. The Board is committed to its ongoing development as a board and to a trustee education program that includes new trustee orientation and other professional development activities that support conference attendance and other professional activities that foster trustee education.
2. The Board will meet annually to complete its self-assessment and will identify areas in which education is necessary to improve performance.

Board Approved 2/10/21
