➤ Faculty Advisor **Dr. Phil Gussin** accompanied the students to the SoCalMUN and was extremely pleased with their performance both in winning awards and in providing leadership to others.

➤ Congratulations to the entire team for their dedication, hard work, passion and organization!

BRUCE FORTINE NAMED 2020 SILVER SPUR RECIPIENT

The COC Foundation was pleased to announce ***Bruce Fortine*** as the 2020 recipient of the “***Silver Spur***” ***Community Service Award***.

- Bruce’s role as a founding board member, his involvement since before the inception of the college, and the important role he played in establishing the college as an innovative learning institution has particular significance this year as we celebrate our 50th anniversary.
- His service to our college and the community has been marked by singular dedication and relentless enthusiasm.
- A date and location for the 2020 Silver Spur Celebration has not yet been finalized.

COC LEADS THE WAY

A flock of birds is silhouetted against a dramatic sunset sky. The sun is low on the horizon, partially obscured by a range of dark mountains. The sky is filled with soft, golden light and scattered clouds. The birds are in various stages of flight, moving from left to right across the upper portion of the frame.

COC TO PARTICIPATE IN APPRENTICESHIP INITIATIVE

College of the Canyons has been selected to collaborate in the *U.S. Department of Labor Growing Advanced Manufacturing Apprentices Across America (GAMAAA) Program*.

- This program will prepare and place **5,000** workers into pre-apprenticeship and apprenticeship roles.
- Led by *West L.A. College* and the *South Bay Workforce Investment Board*, the program was funded by a **\$12 million grant** from the *U.S. Department of Labor* to support expanding registered apprenticeship in advanced manufacturing, primarily in the aerospace and bioscience industries.
- This award propels COC on to the national stage in the conversation regarding apprenticeships.
- This collaboration between colleges from different regions is historic and will become a pilot for encouraging similar partnerships among the **115** California Community Colleges.

ASSESSMENT OF PRIOR LEARNING SUMMIT

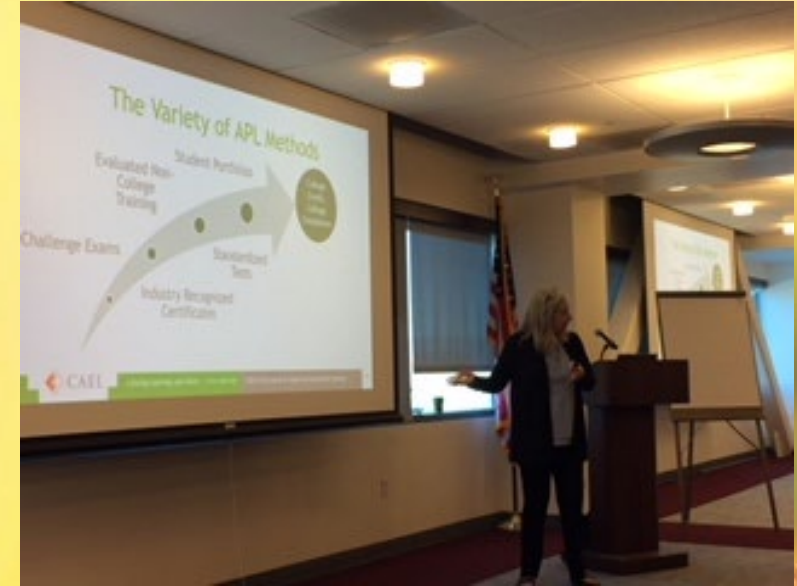

On September 20th we welcomed **24** participants to the ***Assessment of Prior Learning Summit*** at COC.

➤ The event, organized by ***James Glapa-Grossklag***, included speakers from:

Partnerships

ASL STUDENTS PARTICIPATE IN “EVENING OF REMEMBRANCE”

Four of our *ASL students* and one alumni participated in the City of Santa Clara *“Evening of Remembrance”* on Tuesday, September 17th.

- The community Walk of Remembrance ended at the Youth Grove in Central Park and was followed by the *Evening of Remembrance* where our students interpreted a song for the grieving family and friends in attendance.
- The event is held in memory of local youth who have died in traffic-related incidents.
- We are so proud of our students who showed such kindness to those who gathered for the event.

LOGIX JOINS US ON THE VALENCIA CAMPUS

The Marketing Department of **Logix Federal Credit Union** held a strategic planning session in our Art Gallery and dined in the iCuE on Tuesday, September 17th.

- It is always a pleasure to share our facilities with our Foundation partners.
- We are extremely appreciative to Logix for their support of our First-Year Promise Campaign and Foundation Golf Tournament.

BUSINESS ALLIANCE MEETS AT COC

COC was pleased to host the **Business Alliance** meeting on Wednesday, September 18th.

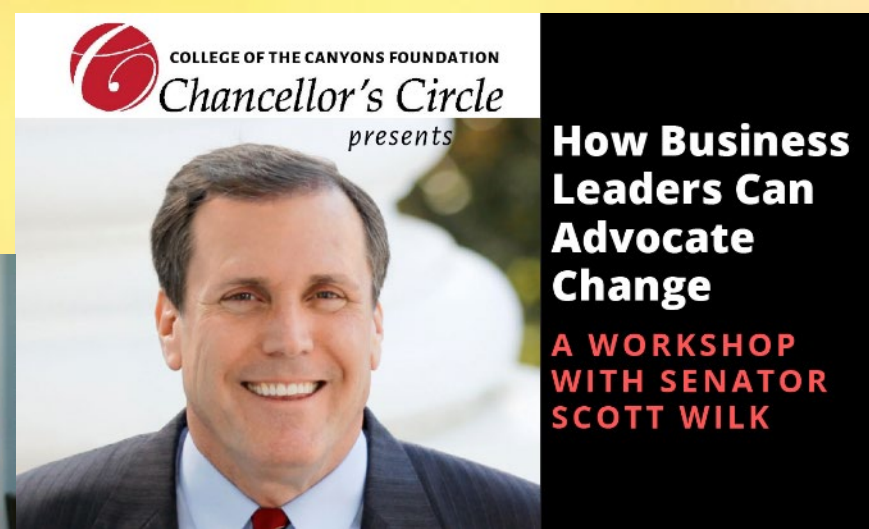

- The meeting featured more than a dozen representatives who discussed the challenge of finding good people in a good economy.
- COC shared information on our robust work-based learning programs (internships and apprenticeships), and classes we offer in soft skills (customer service, critical thinking and problem solving).

CHANCELLOR'S CIRCLE BRIEFING

The Chancellor's Circle welcomed **State Senator Scott Wilk** to present "**How Business Leaders Can Advocate Change**" on Friday, September 20th.

- **Two** workshops were offered with over **40** local business leaders, Chancellor's Circle members and college leadership attending.
- Attendees gained first-hand knowledge on how best to navigate the system; how the legislative process really works; and some techniques that will help to ensure that their voice is heard.
- Of the **over 30** Chancellor's Circle Briefings held, this is the first one led by a State Senator!

COC AND LOGIX: PARTNERING FOR SUCCESS

I was pleased to speak to the *LOGIX Board of Directors and Executive Management* at their retreat on Wednesday, October 2nd in Montecito.

- The audience was extremely engaged as I discussed:
 - ✓ An Overview of Economic Development at COC;
 - ✓ Why Do We Do Economic Development;
 - ✓ How LOGIX is Partnering with COC; and
 - ✓ What's on the horizon between COC and LOGIX?
- I always enjoy working with our partners to continue to build strong, lasting relationships!

Upcoming Events

UPCOMING PRT

In two weeks we will host our 2nd PRT. This team, led by Dr. Gil Stork, retired CEO from Cuesta College, will help us identify ways that we can get better.

Specifically, it will focus on allowing us to:

- Design and develop a framework to integrate in-reach and outreach into district-wide operations and functions on campus;
- Develop a process and infrastructure that invites and generates input and feedback that initiates messaging to expand partnerships and opportunities to engage student workplace learning opportunities and public and private initiatives;

UPCOMING PRT

- Strategically advance our outreach efforts to increase enrollment of concurrently enrolled students, as well as those who are working to achieve degrees and certificates to meet industry standards and competitiveness while working full-time;
- Design and further develop a college and career going culture within our local elementary, junior high and high schools to provide clear guidance as it relates to *Pathways* and *2+2 Opportunities* for our district to expand concurrent enrollment opportunities; and
- Develop activities that promote communication and understanding of the roles played by people on campus to build strong communication between disciplines/offices, programs and our two growing campuses.

UPCOMING PRT

In anticipation of this second visit of the team in November, college committee members are being asked to evaluate the “who”, the “how”, and the “what” that is missing in their functioning, with a special emphasis on how they communicate about the work that they do; how others can get involved; and how they can focus the work so it supports the other parts of the committee structure.

This will not only be used to improve how we function, but will help to eliminate duplication, enhance cooperation, solicit input across silos and engage more members of the campus community.

As a part of our work with the PRT, we will be securing external professional assistance to develop a tool that will help us clarify how many people know about how the groups, departments, and committees on campus work together,(all which can be improved); how they see their role; as well as identify ways that communication, structure and inclusion will be enhanced in our planning and decision making processes.

It should be fun and lead to exciting opportunities!

In Memorial

REMEMBERING MARVENE LIKE

All of us at College of the Canyons were saddened to hear about the passing of **Marvene Like** on September 18th.

- Marvene and her husband Don were great friends of College of the Canyons, supporting our students at the annual Chancellor's Circle Dinner, the Silver Spur Celebration, as Patrons of the Performing Arts, through the Moberg/Like Scholarship and with our Resources for Individual Success in Education (RISE) program.
- Marvene enjoyed going to fundraising events and was a wonderful supporter of local non-profits, including College of the Canyons and Henry Mayo Newhall Memorial Hospital.
- We extend our sympathies to Don, Mitzi, Randy, and all of the Like and Moberg families.

HAPPY HALLOWEEN!
