

Chancellor's Report and Update

Board of Trustees Meeting
April 13, 2022

**Our COC Team and Students
Shine!**

Tennis Clinches First Championship

The **Tennis** team seized its first *Western State Conference* championship in dramatic fashion Tuesday, March 15th with an **8-1** home win over Antelope Valley College.

- Despite two matches remaining in the season, the team's dominant performance in its **10th** consecutive victory secured the conference title.
- Two days later the team reinforced its command of the court by claiming its **11th** straight win in a home match against Bakersfield College.
- The tennis team debuted in 2018 as the college's 17th athletic program.

Athletics Update

Men's Basketball

- College of the Canyons freshman **Andrew Henderson** has been named to the **2021-22 California Community College Men's Basketball Coaches Associations (CCCMBCA) All-State Team**, capping a season in which he also took home all-conference honors.
- Henderson was one of 23 players, and 10 freshmen, from both the north and south regions to earn **All-State** honors. An additional seven players earned All-State Honorable Mention accolades.

Women's Basketball

- Former longtime College of the Canyons Women's Basketball Assistant Coach **Harlan Perlman** was inducted into the **California Community College Women's Basketball Coaches Association (CCCWBCA) Hall of Fame**, officially becoming the **first** assistant coach to be selected by the organization's Hall of Fame committee.

Athletics Update

Men's Golf

- College of the Canyons was triumphant in its outing at the **Big Rig Invitational** in Bakersfield on Monday, playing in an event that also served as WSC tourney **No. 9**.
- COC sophomore **Hugo Amsallem** took home medalist honors with his **three-under-par** round of **69**. Canyons continues to lead the conference standings having finished **1st** in all but one WSC event this season.

Swim & Dive

- The Cougars competed at the **21st Annual Pasadena Invitational April 8-9th**, with freshman **Bence Endresz** leading the squad with **35** event points.
- His top result came in the form of a **sixth-place** finish in **100-yard freestyle** event.

Athletics Update

COC student-athletes **Ashlynn Heck** (softball) and **Mikey Kane** (baseball) have been named the COC Athletic Department's Women's & Men's Student *-Athletes of the Week* for the period running March 28th to April 2nd.

- **Heck** and **Kane** are the **seventh** set of honorees for the spring 2022 semester.

College Chosen for Project-Based Learning

College of the Canyons has been selected to participate in the *2022 Institute on Project-Based Learning* at **Worcester Polytechnic Institute** in Worcester, Mass.

- A team led by **Patty Robinson** was selected based on the strength of its application and its potential to effect change. This is the 4th year COC has been selected to participate in this nationwide training.
- The Institute on Project-Based Learning is a **2.5-day** intensive workshop in June.
- Teams of faculty and administrators work with experts to learn about project-based learning and make tangible progress to integrate best practices into their own curricula.

COC Students Honored By Phi Theta Kappa

Students **Marina Onaca** and **Isabella Solorio** have been selected for the **2022 Phi Theta Kappa (PTK), All California Academic Team!**

- Grades, leadership and community service determine selection to the ***All-California Academic Teams.***
- The students selected represent some of the best of the two million students enrolled in California's 116 community colleges.

Congratulations to these outstanding students!

COMMUNITY COLLEGE
LEAGUE OF CALIFORNIA

One of California's Best High Schools

Academy of the Canyons has been named one of *California's best high schools*, ranking **16th** overall, according to Stacker, which specializes in converting data into compelling editorial content.

- The rankings considered eight differently weighted factors, with **60** percent of the score based on **academics and grades**.
- From there, culture and diversity, parent and student surveys on their overall experiences, and teachers each contributed to **10** percent of the score.
- Finally, scores for each school's clubs and activities, health and safety, resources and facilities, and sports constituted **2.5** percent each.
- College of the Canyons has hosted the **middle college high school** at its Valencia campus since its inception in **1999**.

Uniquely Abled Academy Graduation

The *Uniquely Abled Academy at College of the Canyons* honored **10** new graduates of its *CNC Machinist Training* program on **Friday, April 8th**.

- This program, in its **third year**, provides intensive training for individuals with high-functioning autism and prepares them for career paths in industries including aerospace, automotive and medical devices.
- COC has **100%** of placement in the UAA for CNC Machining and expects the same with this **3rd cohort**.
- UAA Students receive:
 - National Institute of Metalworking Skills (NIMS) Credentials
 - ACT National Career Certification
 - Certificate of SME ToolingU

Funding for Advanced Technology Center

College of the Canyons has received nearly **\$1 million** in federal funding that will help launch the **Advanced Technology Center (ATC)**, a *state-of-the-art* advanced manufacturing and CNC (Computer Numerical Control) production lab to help meet the demand for skilled employees in fast-growing industry sectors.

- **Congressman Mike Garcia** secured the funding through the \$1.5 trillion Omnibus Spending package recently passed by Congress.
- The allocation will equip the ATC with a *state-of-art* **CNC production lab** that includes both simulation machining centers and full production type machining centers, including several CNC 5-axis machining centers, mills, lathes and routers.
- It will also include a full **computer lab** to support programming skills in Computer Aided Drafting and Manufacturing and additive manufacturing tools that will begin 3D printing applications for prototype projects.

College Awarded Innovation Grant

The Workforce and Economic Development Division of the California Community Colleges Chancellor's Office has awarded College of the Canyons **\$125,000** as part of the *CCCCO Invention and Inclusive Innovation (i3) Initiative*.

- The goal of the i3 Initiative is to strengthen community connections and build college, career, and civic readiness, closing the “civic opportunity gap.”
- This project will enhance student **social entrepreneurship** and support **civic engagement** through design thinking, **project-based learning**, and **professional development** training
- COC is one of 18 colleges awarded in this cycle. Many thanks to **Harriet Happel, Patty Robinson, Teresa Ciardi, and Gary Quire** among many others involved in this project.

**INNOVATION
GRANTS**
